 <https://www.linkedin.com/company/skillmil>

SkillMil is a **veteran-owned and operated** small business dedicated to connecting active-duty military, veterans and military spouses with civilian job opportunities. We understand the value of military training and are committed to translating it into successful employment outcomes in the civilian job market.

Leveraging the unique skills and discipline of ex-military personnel, SkillMil hiring platform serves as a bridge to post-service careers in various industries.

**FOUNDED:** 2017

**MISSION:** Empowering veterans to transition seamlessly into the civilian workforce by providing tailored employment solutions.

**SPECIALTIES:** Professional and technical job placements for veterans, internships, personalized career development, and employer-veteran matching.
